

IN ACTION CONFERENCE

Supporting Child development across the system: Paediatric MDT

Alana Turnbull

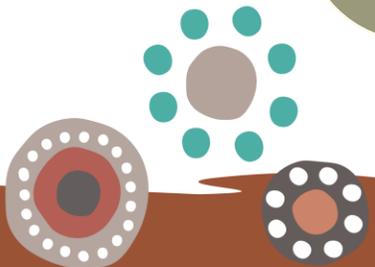

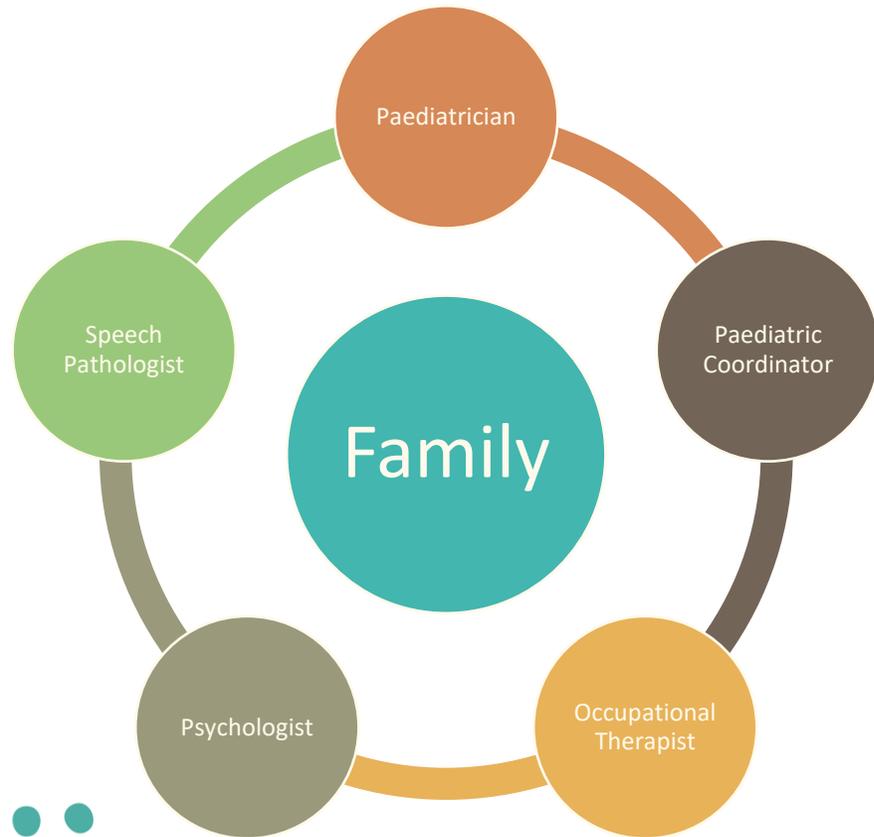

Key Priority Areas

SEQ First Nations Health Equity Strategy Key Priority Areas

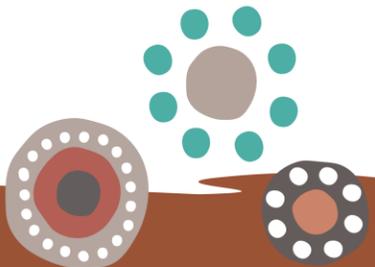

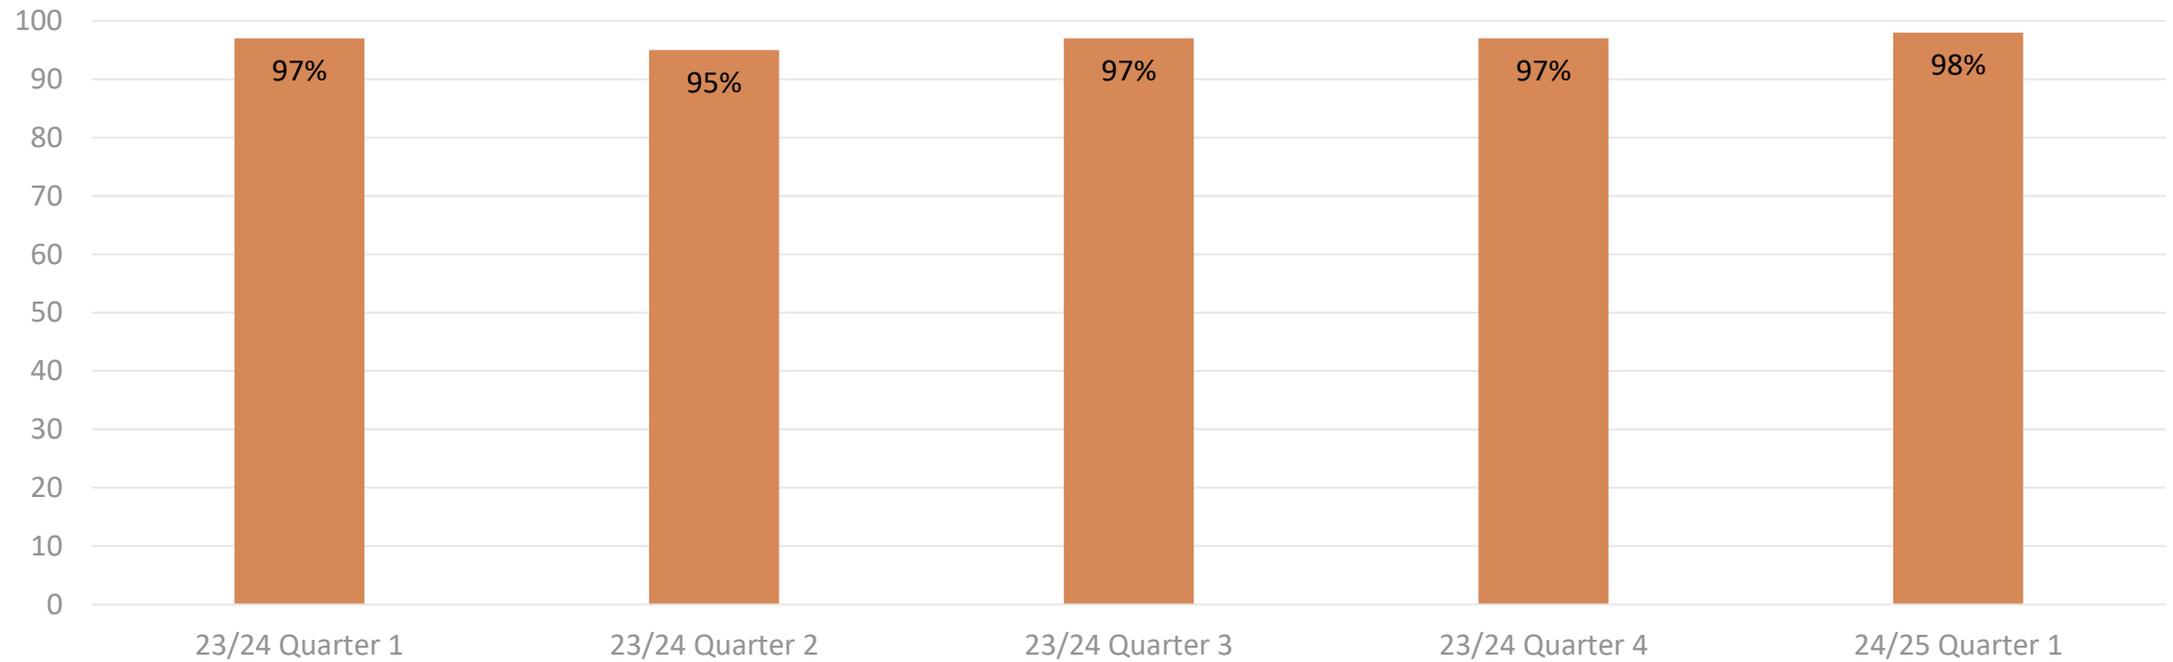

- KPA1 Cultural Safety: Actively eliminating racial discrimination and institutional racism within services.
- KPA2 Access: Increasing access to healthcare services.
- KPA3 Determinants: Influencing the social, cultural, and economic determinants of health.
- KPA4 Delivering Quality Healthcare: Delivering sustainable, culturally safe, and responsive healthcare services.
- KPA5 Service Delivery Partnerships: Working with First Nations people, communities, and organisations to design, deliver, monitor, and review health services.
- KPA6 A Strong and Capable Workforce: Strengthening the First Nations health workforce.

Paediatric MDT

Attendance Data: Planned Occasions of Service

Family Feedback

“It’s the best experience we have ever had in relation to assessment and Paediatrics, I felt validated and heard, I recommend MDT prior to any Paediatrician assessment, the team were welcoming and friendly, I felt quite overwhelmed as you all listened to me and did not make any judgements, the diagnosis will open up doors for my daughter that were previously closed.”
